Rivit®

FASTENERS & TOOLS

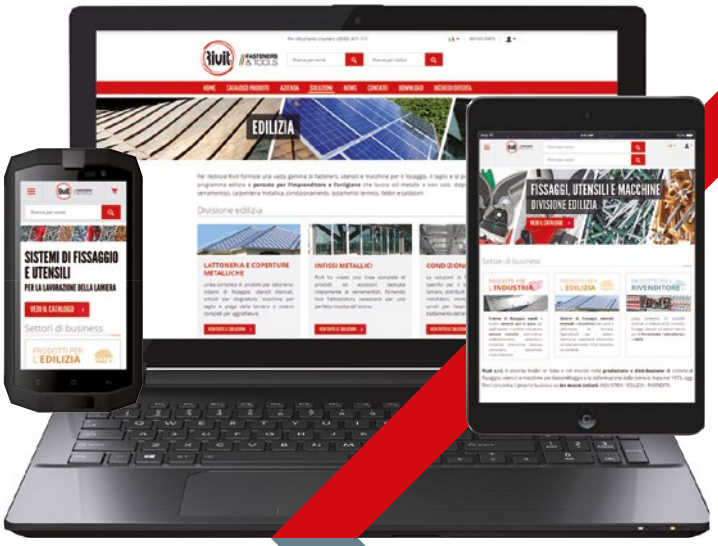
Since 1973

BOOK

edizione 4/3

Il portale per il B2B, è **Rivit.it**

- Naviga il sito e vedi tutti i prodotti con le loro specifiche tecniche.
- Aggiungi il prodotto che fa per te al carrello.
- Invia la richiesta, riceverai un offerta personalizzata.



The web portal for the B2B is **Rivit.it**

- Surf the website, and see all the products with their technical features.
- Add the product you wish to the basket.
- Send the request, you will get the offer.

Le portail pour B2B est **Rivit.it**

- Surfer le site et voir tous les produits avec leurs spécifications techniques.
- Ajoutez le produit qui vous convient au panier.
- Envoyez la demande, vous recevrez une offre personnalisée.

Das Portal für B2B ist **Rivit.it**

- Surfen Sie in der Website und sehen alle Produkte mit ihren technischen Spezifikationen.
- Fügen Sie das für Sie passende Produkt in den Warenkorb.
- Senden Sie die Anfrage, Sie erhalten ein persönliches Angebot.

El portal para B2B es **Rivit.it**

- Navegas en el sitio y vees todos los productos con sus especificaciones técnicas.
- Añades el producto adecuado para usted al carrito.
- Envias la solicitud, recibiras una oferta personalizada.

Tecnica.
Cuore.
Rivit.

Dal 1973 serviamo l'industria, l'edilizia e la rivendita.
Arricchiamo il nostro catalogo di soluzioni di fissaggio all'avanguardia,
per essere sempre più importanti per i nostri clienti,
proprio come i nostri prodotti lo sono negli oggetti che essi realizzano.

Tecnique.
Hearth.
Rivit.

Since 1973 we serve industry, building and dealers.
We enlarge our catalogue with new technical solutions, for being more and more important to our clients, just like our fasteners are in the products they make.

Tecnique.
Coeur.
Rivit.

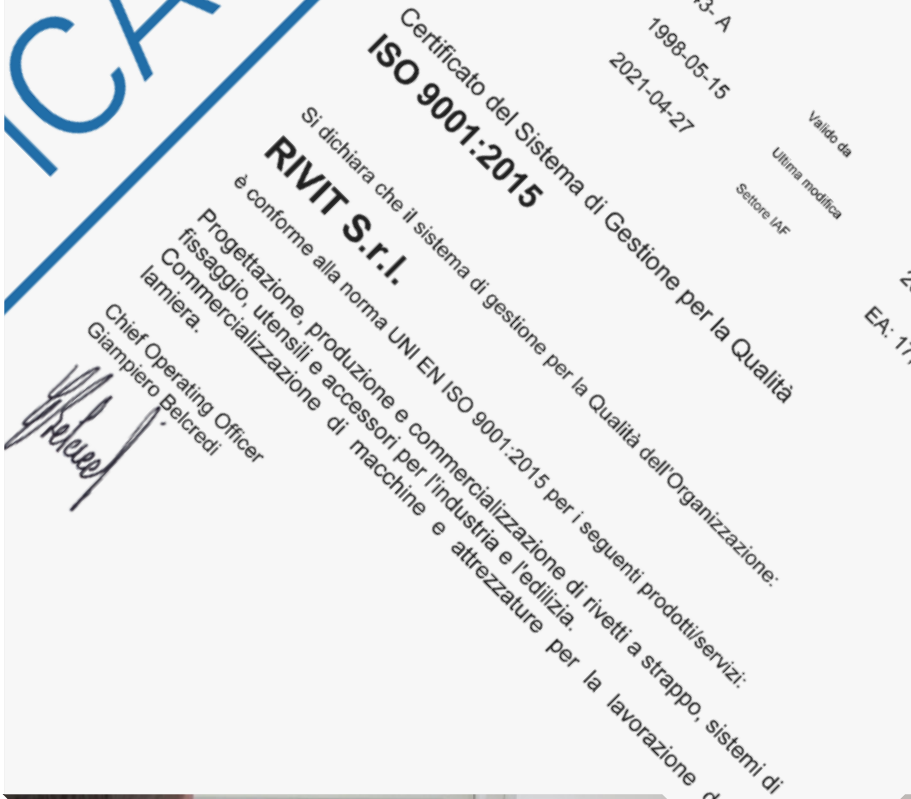
Depuis 1973, nous servons l'industrie, la construction et la revente. Nous enrichissons notre catalogue de solutions de fixation de pointe pour devenir de plus en plus important pour nos clients, tout comme nos produits sont dans les objets qu'ils fabriquent.

Technik.
Herz.
Rivit.

Seit 1973 bedienen wir Industrie, Bau und Wiederverkauf. Wir bereichern unseren Katalog an innovativen Befestigungslösungen, um für unsere Kunden immer wichtiger zu werden, genauso wie unsere Produkte in ihren Objekten stecken.

Técnica.
Corazón.
Rivit.

Desde 1973 servimos industria, construcción y reventa. Enriquecemos nuestro catálogo de soluciones de fijación de vanguardia, para que sean cada vez más importantes para nuestros clientes, al igual que nuestros productos están en los objetos que fabrican.



kiwa certified
SISTEMA DI GESTIONE CERTIFICATO
UNI EN ISO 9001:2015

Qualità nei prodotti. Qualità nei servizi. **Certificate.**

Rivit garantisce:

- elevati standard qualitativi di prodotti e servizi in conformità alla norma UNI EN ISO 9001:2015.
- la certificazione degli utensili in conformità alla Direttiva Macchine 2006/42/CE.
- standard qualitativi dei prodotti in entrata rispettati grazie ai test effettuati da personale specializzato nel proprio laboratorio interno.

Quality in products. Quality in services. **Certified.**

High quality standards of products and services in compliance with the UNI EN ISO 9001:2015 standard.
The certification of tools in compliance with the Machinery Directive 2006/42/EC.
Quality standards of incoming products respected thanks to tests carried out by specialized staff in our own internal laboratory.

Qualité dans les produits. Qualité des services. **Certifiées.**

Normes élevées de qualité des produits et services au standard UNI EN ISO 9001:2015.
La certification des outils en conformité à la directive machines 2006/42/CE. Les standards de qualité des produits respectés grâce aux tests faites pr le personnel spécialisé dans notre laboratoire.

Qualität in Produkten. Qualität in Dienstleistungen. **Zertifiziert.**

Shohe Qualitätsstandards für Produkte und Dienstleistungen gemäß der Norm UNI EN ISO 9001:2015.
Die Zertifizierung von Werkzeugen gemäß der Maschinenrichtlinie 2006/42/EG.
Qualitätsstandards eingehender Produkte, die durch Tests von Fachpersonal im eigenen internen Labor eingehalten werden.

Calidad en los productos. Calidad en los servicios. **Certificadas.**

Altos estándares de calidad de productos y servicios que cumplen con la norma UNI EN ISO 9001:2015.
La certificación de herramientas de conformidad con la Directiva de Maquinaria 2006/42/EC.
Los estándares de calidad de los productos entrantes se respetan gracias a las pruebas realizadas por personal especializado en su propio laboratorio interno.

Progettare soluzioni.
Produrre innovazione.

L'innovazione passa attraverso la ricerca. Rivit fornisce servizi ingegnerizzati, per dare al cliente soluzioni pratiche, sicure e all'avanguardia.

La produzione fasteners comprende:

- rivetti e inserti,
- autoaggancianti,
- perni a saldare,
- bulloni a strappo.

La produzione macchine comprende:

- rivettatrici per rivetti,
- rivettatrici per inserti,
- saldatrici per perni,
- presse per autoaggancianti.

Design solutions. **Produce innovation.**

Innovation goes through research.
Rivit provides engineered services to provide customers with practical, safe and cutting edge solutions.

The fasteners production includes:
Rivets and rivet nuts, self clinching, welding studs, lockbolts.

Machine production includes:
Tools for blind rivets, tools for rivet nuts, studs welding tools,press for self clinching.

Solutions de conception. **Produire l'innovation.**

L'innovation passe par la recherche. Rivit propose services techniques destinés à fournir aux clients solutions pratiques, sûres et à la pointe de la technologie.

La production des fasteners couvrent:
Rivets et inserts, auto-sertissables, goujons à souder, boulons à sertir.

La production des machine couvrent:
Sertisseuses pour rivets aveugles, sertisseuses pour écrous, goujons soudeurs, presses pour l'auto sertissable.

Lösungen entwerfen. **Innovation Produzieren.**

Innovation geht durch Forschung. Rivit bietet technisch ausgereifte Dienstleistungen an, um Kunden praktische, sichere und innovative Lösungen anzubieten.

Die Produktion von Verbindungselementen umfasst:
Nieten und Einsätze, Clinch, Lötstifte, Klettverschlüsse.

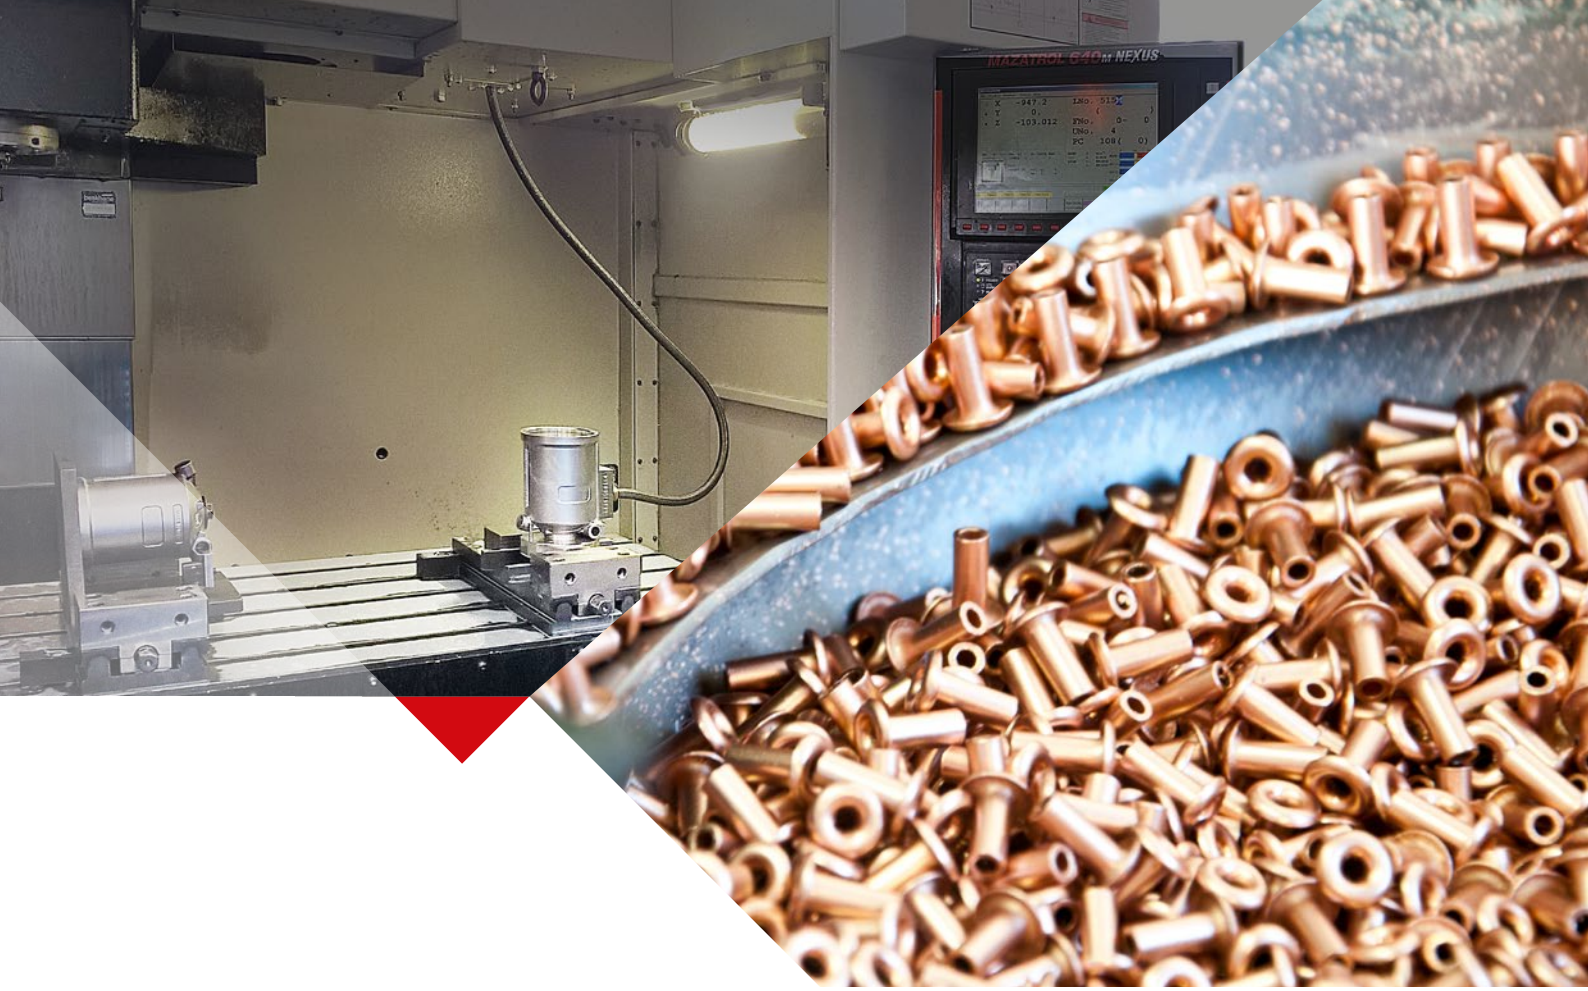
Die Produktion von Maschinen umfasst:
Werkzeug Für Blindnieten, Werkzeug Für Nietmuttern, Bolzenschweißer, Pressen für Presseinsätze.

Soluciones de diseño. **Producir innovacion.**

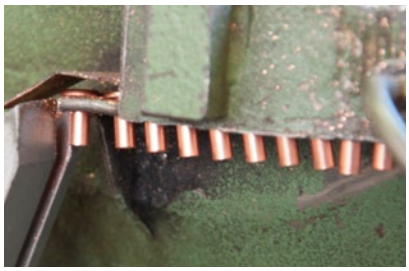
La innovación pasa por la investigación.
Rivit proporciona servicios de ingeniería para brindar a los clientes soluciones prácticas, seguras y de vanguardia.

La producción de fijaciones tiene:
Remaches y tuercas, autofisantes, pernos para soldar, remaches perno-collar.

La producción de la máquina incluye:
Remachadoras para remaches, remachadoras para tuercas, soldadores para pernos, prensas para autofijantes.



MAZATROL 640 at NEXUS



L'anima automatica di una **logistica avanzata.**

Il magazzino soddisfa con rapidità le esigenze del cliente.

20.000 mq coperti;
45.000 articoli a stock;
2 traslo elevatori;
24.000 vassoi;
100 metri di lunghezza;
20metri di altezza;

The automatic soul of an **adavance logistic.**

The warehouse quickly meets customer needs.

20.000 sqm covered
45.000 items in stock
2 conveyor elevators
24.000 trays
100 meters in length
20 meters in height

L'âme automatique d'une **logistique avancée.**

l'entrepôt répond rapidement aux besoins des clients.

20.000 mc couverts
45.000 références en stock
2 ascenseurs à convoyeur
24.000 plateaux
100 mètres de longueur
20 mètres in hauteur

Die automatische Seele einer **fortschrittlichen Logistik.**

Lager erfüllt schnell die Kundenanforderungen.

20.000 mq abgedeckt
45.000 Artikel auf Lager
2 Fördereraufzüge
24.000 Schalen
100 Meter lang
20 Meter hoch

El alma automática de una **logística avanzada.**

El almacén cumple rápidamente las necesidades de los clientes.

20.000 mc cubiertos
45.000 artículos en stock
2 ascensores de cinta transportadora
24.000 platos
100 metros de longitud
20 metros de altura

E dopo l'acquisto, una rete di **servizi post vendita.**

Quando un Cliente entra nel mondo dei Fasteners & Tools Rivit viene subito seguito. L'assistenza e il supporto tecnico comprendono:

- manutenzione e sostituzione parti usurate,
- lista completa di ricambi e accessori,
- riparazioni svolte direttamente da Rivit o centro assistenza autorizzato,
- tutorial, collegamenti in videoconferenza.

And after the purchase, a **network of after sales.**

When a customer enters the world of Fasteners & Tools Rivit we immediately take care of him. Assistance and technical support include:
Maintenance and replacement of worn parts.
Reparations carried out directly by Rivit or authorized service center.
Tutorial, links in videoconference.

Et après l'achat, un réseau de **services après vente.**

Lorsqu'un client entre dans le monde des fixations et des outils. Rivit on le gere tout de suite. L'assistance et le support technique incluent:
Entretien et remplacement des pièces usées.
Les réparations effectuées directement par Rivit, ou centre de service autorisé.
Tutorial, liens en vidéoconférence.

Und nach dem Kauf ein **Netzwerk von Post-Verkaufdienst.**

Wenn ein Kunde die Welt von Fasteners & Tools betritt, wird Rivit sofort verfolgt. Unterstützung und technischer Support umfassen:
Wartung und Austausch verschlissener Teile.
Direkt von Rivit durchgeführte Arbeiten.
Möglichkeit des Kaufs sowohl des oder autorisiertes Servicecenter.
Tutorial, Links in Videokonferenz.

Y después de la compra, una red de **servicios postventa.**

Cuando un cliente entra en el mundo de Fasteners & Tools Rivit es inmediatamente atendido. Asistencia y soporte técnico incluyen:
Mantenimiento y reposición de piezas desgastadas.
Reparaciones realizadas directamente por Rivit o centro de servicio autorizado.
Tutorial, enlaces en videoconferencia.

Un partner globale, vicino al **tuo mondo.**

90 venditori per copertura nazionale;
